HASPA

RASUL MUD MASK

Purifying, detoxing and removing

INDICATIONS

Use for the treatment of all general skin conditions, especially for oily and acne-prone skin. It is also suitable for dry, sensitive and aging skin. It is a natural exfoliant and helps to remove dead skin cells, leaving the skin smooth and soft. It is also suitable for use after a facial treatment.

CONTRAINDICATIONS

Do not use on broken, irritated or sunburnt skin. Do not use on areas with active infections or open wounds. Do not use on areas with severe allergic reactions.

HOW TO USE

For normal to oily skin: Wash your face with a gentle cleanser. Apply a thin layer of the mask to your face, avoiding the eyes and mouth. Leave on for 10-15 minutes. Rinse off with warm water and pat dry.

HASPA

COLLAGEN FACE MASK

Firming collagen infused tissue

INDICATIONS

Use for the treatment of all general skin conditions, especially for dry, sensitive and aging skin. It is a natural exfoliant and helps to remove dead skin cells, leaving the skin smooth and soft. It is also suitable for use after a facial treatment.

CONTRAINDICATIONS

Do not use on broken, irritated or sunburnt skin. Do not use on areas with active infections or open wounds. Do not use on areas with severe allergic reactions.

HOW TO USE

For normal to dry skin: Wash your face with a gentle cleanser. Apply a thin layer of the mask to your face, avoiding the eyes and mouth. Leave on for 10-15 minutes. Rinse off with warm water and pat dry.

HASPA

TEA TREE FACE MASK

Purifying, detoxing for oily skin

INDICATIONS

Use for the treatment of all general skin conditions, especially for oily and acne-prone skin. It is a natural exfoliant and helps to remove dead skin cells, leaving the skin smooth and soft. It is also suitable for use after a facial treatment.

CONTRAINDICATIONS

Do not use on broken, irritated or sunburnt skin. Do not use on areas with active infections or open wounds. Do not use on areas with severe allergic reactions.

HOW TO USE

For normal to oily skin: Wash your face with a gentle cleanser. Apply a thin layer of the mask to your face, avoiding the eyes and mouth. Leave on for 10-15 minutes. Rinse off with warm water and pat dry.

HASPA

CHARCOAL FACE MASK

Detoxifying mask, with charcoal extracts

INDICATIONS

Use for the treatment of all general skin conditions, especially for oily and acne-prone skin. It is a natural exfoliant and helps to remove dead skin cells, leaving the skin smooth and soft. It is also suitable for use after a facial treatment.

CONTRAINDICATIONS

Do not use on broken, irritated or sunburnt skin. Do not use on areas with active infections or open wounds. Do not use on areas with severe allergic reactions.
